PROFILE

Fourth-year BS Information Technology student at Bicol University (Polangui Campus), specializing in cybersecurity and systems development. I build responsive, security-minded web applications from real requirements, from a crime-reporting platform for PNP Polangui to a Wazuh SIEM home lab. Completed HarvardX's CS50 Introduction to Cybersecurity. Three-time Dean's Lister and External Vice President of TechSystems Association. Seeking an OJT, entry-level web development or cybersecurity (SOC / blue team) role.

TECHNICAL SKILLS

Web	HTML, CSS, JavaScript, React Native, Responsive UI
Backend & Data	Python, Flask, Node.js, Express, Firebase, MySQL, OpenCV, DeepFace
Security	Wazuh SIEM, OWASP Top 10, Nmap, Burp Suite, Wireshark, Linux, Networking
Tools	Git / GitHub, Vercel
Professional	Team leadership, technical writing, cross-organization coordination

PROJECTS

PMPS ARGUS — Capstone Project — React Native · Firebase · Maps

- Secure crime reporting and interagency coordination platform for PNP Polangui, built from real stakeholder requirements.

Secure by Design — Web security demo — Node.js · Express · OWASP Top 10

- Build → attack → patch web app that demonstrates OWASP Top 10 vulnerabilities and how to fix them.

Wazuh SIEM Home Lab — Blue-team practice — Wazuh · SIEM · Linux

- Home lab for log collection, threat detection and alerting; my flagship SOC portfolio project.

Team LunarTicks — Moon Journey — Hackathon project — Web app

- Kid-friendly Moon storytelling web app built with my team for a hackathon.

TSA External Members Recruitment System — TechSystems Association — Web app

- "Join External Members Now" recruitment site for TSA's External Affairs Committee, with an info page, member login and application flow.

PNP Face Match — GitHub — Python · Flask · OpenCV · DeepFace

- Facial matching web application built with Flask and computer-vision libraries.

Other: VitalPath Medical healthcare website (live) · **Student Resource Hub** Firebase academic resources app (live) · **Quizzleberry** Express/MySQL quiz app · **Client Website** responsive site built from a real client brief.

EXPERIENCE

Administrative Aide II (SPES Program) — Supply Office, Municipality of Polangui — 2025 – 2026

- Supported day-to-day Supply Office operations through administrative work.
- Stepped in on IT support for the office.

EDUCATION & AWARDS

BS Information Technology — Bicol University, Polangui Campus — Class of 2026

- Specialization: cybersecurity and systems development.
- Dean's Lister: 2024, 2025, 2026.

LICENSES & CERTIFICATIONS (19)

★ **HarvardX** — CS50's Introduction to Cybersecurity · Harvard University online learning initiative

★ **OPSWAT Academy** — Introduction to Critical Infrastructure Protection · 0.50 CPE credits

★ **ADB Institute** — Cybersecurity · Certificate of Completion

Cybersecurity · Cisco Networking Academy

Ethical Hacker	Jun 2025	Introduction to Cybersecurity	Jun 2025
Network Support and Security	May 2026	Digital Safety and Security Awareness	Mar 2026

Web & Programming · Cisco Networking Academy

JavaScript Essentials 2	Jul 2026	JavaScript Essentials 1	Jul 2026
Python Essentials 2	Jul 2026	Python Essentials 1	Jul 2026
HTML Essentials	Apr 2026	CSS Essentials	Mar 2026

Data, AI & IT · Cisco Networking Academy

Data Science Essentials with Python	Mar 2026	Data Analytics Essentials	Mar 2026
Introduction to Modern AI	Jul 2025	IT Customer Support Basics	May 2026
Digital Awareness	Mar 2026	Computer Hardware Basics	Jan 2025

Cisco Networking Academy courses completed with the DICT-ITU DTC Initiative, JS Institute and Python Institute. Certificate images are on my portfolio.

LEADERSHIP & ORGANIZATIONS

External Vice President — TechSystems Association (TSA) — Aug 2026 – present

Programming Committee Developer — TSA — Oct 2026 – present

Acting Head, External Vice President — TSA — Feb 2026 – Aug 2026

Member — Google Developer Group On Campus, Bicol University — Oct 2026 – present

Member — For Girls Who Build PH (FGWB PH) — Oct 2026 – present

Member — BU SYNC (mother org in CSD, BUP) — Aug 2026 – present

Participant — CNCP: Cyber Ops — Oct 2026
